EXPERIENCE

Digital Marketing |Equity Bank Limited
August 2021 – April 2022 | (9 months)

- I developed and executed digital marketing strategies that helped the company achieve its business objectives of promoting digital products at Equity Matuu Branch. My strategies led to increased sales throughout the 9 months.

Software Engineering Intern | THE Jitu software company
May 2023 – Jul 2023 | (3 months)

- I was trained on software development using HTML, CSS, JavaScript, React, NodeJS, SQL, Server, Redux Toolkit, Redis, Docker and Git. I practiced teamwork, project management, and documentation as well as soft skills e.g. strategic communication and project management.

High School Mentor| Equity Bank Limited
Sep 2019 – Present | (4 years)

- I volunteer in the Equity Leaders Program mentoring high school students in their pursuit of academic excellence and overall well-being. Guiding and supporting them to achieve their aspirations for strong academic performance fills me with a sense of fulfillment. Witnessing the achievements of my mentees, and knowing that I played a part in their success, is a source of great pride for me.

Microsoft Learn Student Ambassador| Microsoft
Jan 2023– Present | (8 months)

- I volunteer as a Microsoft Learn Student Ambassador at my university, Dekut.As part of my responsibilities within MLSA's, I assist fellow students in creating robust tech communities and developing technical and career skills for future using Microsoft technologies, such as Azure.

PROJECTS

JamboCare Translator
I led a group of four in the development of a translator that utilizes speech recognition. This translator could help improve communication between patients and healthcare providers.

Social Media Application
In conclusion of my attachment at THE Jitu, I successfully designed and built a user-friendly social media application, streamlining online interactions.
